09/2016 - 09/2020

SUMMARY

I am from Moscow, I have a higher education, a bachelor's degree in "Applied Informatics in Economics" from the MIIT RUT Institute, recently I worked as an accountant, lawyer and deputy head of a legal entity, at the same time I was engaged in sales on Avito (a trading platform in Russia) as a hobby currently engaged in self-study in the direction of frontend development as a hobby: - engaged in diagnostics, repair and restoration of circuit boards, household appliances, smartphones, cars - I can solder boards - I can weld metal (arc welding) - I understand electrical

EXPERIENCE

Internship 07/2019 - 08/2019

Department of service management of the Main Computing Center (JSC) "RZD" (Russian Railways) Moscow, Russia

- Studying the processes of managing requests, requests, incidents of the automated system of a unified user support service (ACS ESPP)
- Creation and processing of objects in the test environment of the ACS ESPP, according to the studied processes

Accountant on primary documentation (construction - Major Repair of GCOLIFK (Cherkizovskaya Pool), remote) 09/2019 - 12/2019

Mayak LLC Moscow, Russia

- I entered invoices for the material in 1C on a remote server (modified version), it was necessary to reflect the materials in the context of contracts and estimates. The volume is large, on average 50-70 invoices per day;
- Created reconciliation reports with suppliers
- Monthly closing of the period
- Processing and loading estimates in 1C (One estimate included 100-200 lines, the total number of estimates was 50-90)
- 60 account, offset of advances/receipt of materials in the context of contracts/estimates

Deputy/Acting Head 01/2020 - 10/2023

GSK Orion Moscow, Russia

- Restoration of accounting records of a legal entity
- Restoration and collection of documentation from responsible persons
- Creation and maintenance of a system of income and expenses
- Conducting general meetings of owners
- Connection and maintenance of connection to PJSC Rosseti
- Representation in court in disputes with the Moscow City Property Department (the case was won and a debt in the amount of 720 thousand rubles/\$7,945 was written off)
- Financial analysis and management
- Communication with government officials and organizations

I am engaged in self-training in the field of Frontend development 11/2023 - Present
